

Invention and Innovation I: Grade 7

Understand invention, innovation, and the design process. 1.00

1 Recall inventing 101. 1.01

2 Explain the engineering design process. 1.02

3 Explain innovation in action. 1.03

Understand engineering core concepts. 2.00

1 Explain systems. 2.01

2 Explain reverse engineering. 2.02

3 Explain mechanisms. 2.03
