

Entrepreneurship I (2023)

Implementation. The provisions of this section shall be implemented by school districts beginning with the 2024-2025 school year. **A**

a **Implementation.** The provisions of this section shall be implemented by school districts beginning with the 2024-2025 school year. **A**

General requirements. Recommended prerequisite: Principles of Business, Marketing and Finance. Students shall be awarded one credit for successful completion of this course. **B**

b **General requirements.** Recommended prerequisite: Principles of Business, Marketing and Finance. Students shall be awarded one credit for successful completion of this course. **B**

Introduction. **C**

1 Career and technical education instruction provides content aligned with challenging academic standards and relevant technical knowledge and skills for students to further their education and succeed in current or emerging professions. **C.1**

2 The Business, Marketing, and Finance Career Cluster focuses on planning, managing, organizing, directing, and evaluating business functions essential to efficient and productive business management, finance, operations, and marketing. **C.2**

3 In Entrepreneurship I, students will gain the knowledge and skills needed to become an entrepreneur in a free enterprise system. Students will learn the key concepts necessary to begin and operate a business. The primary focus of the course is to help students identify the types and selection criteria of business structures, understand the components of a business plan, determine feasibility of an idea using research, and develop and present a business concept. In addition, students will understand the basics of management, accounting, finance, marketing, risk, and product development. **C.3**

4 Students are encouraged to participate in extended learning experiences such as career and technical student organizations, local chamber of commerce meetings, and meetings with entrepreneurs, mentors, or industry experts. **C.4**

5 Statements that contain the word "including" reference content that must be mastered, while those containing the phrase "such as" are intended as possible illustrative examples. C.5
