

Public Speaking I, II, III (One-Half to One Credit) (2020)

Introduction. **A**

- 1** In order to have full participation in the civic process, students must have a good understanding of public dialogue. Students must learn the concepts and skills related to preparing and presenting public messages and to analyzing and evaluating the messages of others. Within this process, students will gain skills in reading, writing, speaking, listening, and thinking and will examine areas such as invention, organization, style, memory, and delivery. **A.1**

- 2** For high school students whose first language is not English, the students' native language serves as a foundation for English language acquisition and language learning. **A.2**

- 3** Statements that contain the word "including" reference content that must be mastered, while those containing the phrase "such as" are intended as possible illustrative examples. **A.3**

- 4** The essential knowledge and skills as well as the student expectations for Public Speaking I, II, III, elective courses, are described in subsection (b) of this section. **A.4**

Knowledge and skills. **B**
